Grandes Jorasses 2009

Colour : White
Wine of Savoie AOP

Grape(s) Variety(ies)

100% Altesse or Roussette, grape varieties of Savoie.

Terroir

Glacier sediments: clay and limestone strata.
Exposure: South.
Height: 450m.
Age of the vines: 10 years.
Plot blend: 40HL/Ha.

Vinification

Traditional: no yeast (native yeasts), a long fermentation of over 4 months, naturally made malo.
Rough filtration on white earth.
Hand-operated harvest.
Proof: natural 12°

Tasting Notes

Floral and fruity nose.
A very fine minerality, to bring freshness and balance.

Preservation: 3 to 5 years
Service temperature: 13°C (45°F).

Comments

For the record, « Les Grandes Jorasses » is the name of one of the most mythical races of the Mont-Blanc Mountains.
